To Whom it May Concern

This person has volunteered with our hockey association. In this volunteer role they will deal with youth, parents, other volunteers, and members of the hockey community. These positions are unpaid but allow our association to service our community. Without our volunteers we would not be able to provide the programs we do.

OMHA requires that all of volunteers provide a police clearance to be eligible to assist with our association. This letter is to request a vulnerable sector check for \_\_\_\_\_ to allow them to volunteer with Essex Minor Hockey Association.

For any questions or concerns, please reach out to our acting risk management director Angela McMurren at [EMHAriskmanagement@essex-southpoint.com](mailto:EMHAriskmanagement@essex-southpoint.com) or 519-817-7388.

Yours In Hockey,

Angela McMurren  
Acting Risk Management Director
